Audition may be shorter than the actual performance. We do need the performing time to be accurate for scheduling. Please do in-school selection of your best performances. Select dates and indicate your best time for your auditions. We can only come once. We will attempt to get as close as possible to your suggestions. The following is only for audition day at your school. You may use colored paper and reproduce for all your groups for easy recognition in the scheduling process. Make as many as you need for the number of Jurors.

You must score 75% on the score-sheet to be eligible for stage time or street theatre. Do not bring non-performers to the Festival. Leave them at school and let them perform in a School Festival.
